Acknowledgement Required

Security Requirements. Applicant acknowledges that their business will comply with the Commercial Cannabis Security Requirements.

Revocation of Permit. Upon confirmation of any violations of this section or other information alleging that the commercial cannabis business violated or is in violation of any applicable laws, regulations, or other requirements, including, but not limited to, the requirements of the Commercial Cannabis Permit Regulations or Municipal Code Section 10.15, the City Manager or a designee may commence permit revocation proceedings in accordance with Chapter 1.10 of the Petaluma Municipal Code. Once a Commercial Cannabis Permit has been revoked, continued operations of the commercial cannabis business is prohibited and subsequent applications may not be filed within one (1) year from the date of revocation.

Property Owner Signature Required: The City of Petaluma requires the property owner’s signature when issuing a Commercial Cannabis Permit. This signature serves to verify that the property owner has been informed of the intent to conduct commercial cannabis business operations on all or part of the property. The City of Petaluma obtains property ownership information from the Sonoma County Tax Assessor’s office. If current ownership information cannot be verified in this manner, additional documentations may be required.

I certify that the above commercial cannabis business information is true and correct, and that I understand and agree to abide by the conditions of approval per City of Petaluma Municipal Code Chapter 10.15.
